

TOWN OF BEVENT RESIDENTS

WELCOME TO HARTERS FOX VALLEY DISPOSAL Weekly Trash and Recycling pickup on Wednesday.

Residents will be provided with (1) 95 gallon trash only cart. All residential trash must be bagged, tied, and fit in the cart provided. A separate (1) 95 gallon cart will be provided for recyclables (blue cart with green lid).

Garbage and Recycling needs to be curbside the night before scheduled pickup day to guarantee pickup.

- Please place trash cart as indicated in the picture, with the bar and lid opening street side. Recycling carts need to be placed NEXT to the trash cart on the same side of the driveway for collection. The collection system will require that the provided carts are mechanically picked up and then tipped into the truck. Residents are required to use provided carts for their household garbage and recyclables.

Do not put any garbage in the cart that is not bagged and tied. Use only clear or white trash bags. NO black or brown bags allowed. Recyclables do not need to be bagged.
