

## **FIRE NUMBER SIGN MAINTENANCE**

We ask all residents and property owners with a fire number sign to clear all brush and debris away from the sign to make it more visible from the road for emergency personnel. If your fire number sign needs replacing due to being non-reflective at night, faded or damaged contact Alexandra Peacock at the Marathon County Conservation, Planning & Zoning Department for a replacement. For any questions please contact Alexandra Peacock at telephone number 715-261-6000 or email [Alexandra.Peacock@co.marathon.wi.us](mailto:Alexandra.Peacock@co.marathon.wi.us). Thank you.
